

Balloon Lending Opportunity Vehicles May-June 2021 Residual Book Period

AFG Announcements

- Excess Wear and Tear Program Updates

AFG's EW&T program (for all states except NY) was replaced with the new AFG EW&T Dealer Loyalty Protection (DLP) program effective 5/10/21. Note: All active waivers sold under the previous EW&T remain in effect and will be honored until loan maturity or early termination (whichever occurs first).

AFG's new EW&T DLP program: (1) Accepts vehicles with up to 21,000 on the odometer at funding instead of the prior cap of 18,000; (2) Provides the same coverage as the previous EW&T; (3) Pricing on the new EW&T DLP is based on MRM/CRV range instead of the previous program's pricing by loan term.

AFG is also pleased to introduce the new AFG Smart 360° Appearance Protection Plan (for NY state lenders and dealerships only). All vehicles that qualify for AFG's balloon note and lease financing qualify for this plan.

Both programs are available now, so please contact your account manager for the details and any questions you may have on these exciting new programs.

- AFG's goal is to provide the best training possible to all employees.

As part of this effort we have implemented quarterly contests to elicit responses to our follow-up training survey and to encourage team members to watch all four videos to help improve their skills when presenting the Balloon Loan product to members. Each quarter we give a \$50 gift card away to each winner.

Congratulations to the winners of the Q4 2020 drawing:

Pre-Owned Vehicle Opportunity "Hot Sheet"
November-December 2019

The following abbreviated examples are as an example and meant only as a starting point. They are based on Market Value Report (MVR) as of 12/31/2019. Gross Profit is no money down, no TFL, transportation, buy here, sell here "cash" is calculated. The calculation for conventional financing is based on a 3% interest rate and the AFG 4356 program rate 3.4%.

Miles and purchase prices are based on Market Value Report auction averages. These examples were selected for more than their own merits. These are vehicles that are available for purchase based on auction transactions frequency at our facilities. MVRs, Annual Allowable Miles and calculated at 20000.

NOTE: Wash your hands and wear a mask before you get on so they don't exceed the new virus release allowed by model year on the vehicle at our facilities.
